

As first time parents, we wanted to find the best infantcare for our Emma. When visiting various infant care centres, we were most impressed with Moriah Schoolhouse's clean, spacious and fun environment. We feel very blessed to have chosen Moriah Schoolhouse as the infant care for Emma.

Emma enjoys going to school daily and always has a bright smile on her face when seeing her teachers in the morning. The teachers in the infant care are very caring and friendly and we are very thankful for their care of Emma. We initially had some difficulty feeding Emma when trying to start solids at 6 months old but the experienced teachers were able to help Emma feed better and guide us along as well. The teachers also give feedback regularly about how Emma is doing in school. We are very impressed with the social skills that Emma has learnt in school and she is able to play and interact well with other children. Lastly, we are thankful for the clean environment and care in the school that has allowed Emma to grow well so far!
